CIRCLE OF GRACE

As part of our ongoing commitment to ensure the safety of your children, safe environment programming is part of our religious education program. The program used in our Diocese is called CIRCLE OF GRACE. This program helps children and young people understand their own (and other's) dignity in mind, body, and spirit. Our presumption is that children in grades K through 12 will participate in this program.

If you DO NOT WANT your children to participate in the CIRCLE OF GRACE PROGRAM, please inform Deacon Jim.
