

**LESSON THIRTEEN – Parents at Home:
Holy Matrimony**

1) Read from the Bible:

- Gen 2:18-24
- Jn 2:1-11
- Eph 5:21-33

2) Teach:

- Teach your children that true marriage is between one man and one woman. Both make vows (which are solemn promises) to enter into a faithful, life-long relationship.

4) Discuss:

- Catholics must get married in a Church before a priest or deacon. Urge your children to pray every day to know their vocation and if they are called to marriage to pray for their future spouse to whom they should resolve to be faithful even now.

5) Do:

- Talk about where you and your spouse got married and how you prepared for your marriage.
